Narrative

The defendant claims she was traveling East on B62 at approximately 0130 on July 1, 2018 when a deer ran out. She swerved to avoid the animal and lost control and went into the ditch and through the fence and into the corn. She then drove around the corn field and through another portion of the fence and more corn. She tore up the corn field until the vehicle became stuck. I do not believe she was actually driving the vehicle. I believe that her boyfriend who is Barred was driving the vehicle and intoxicated. She denies my opinion and is maintaining that she was the driver. The accident was reported by the property owner.
