Narrative

Vehicle #1 was driven by an employee of Pearl Valley Rehab employee. The driver was pulling into the parking lot to park. There was a milk delivery truck in the parking lot. The driver of vehicle #1 thought she could squeeze her truck between the milk truck and another vehicle that was parked and unoccupied in the parking lot. The gap was too tight and Vehicle #1 struck the left rear of Vehicle #2. Vehicle #1 received a scrape down the length of the passengers side.
