Narrative

Vehicle #1 was northbound on Highway 143 just into O'Brien County. The night was very dark. There were three 1000 pound black steers standing on the roadway. The driver was unable to stop in time and struck one or more of the animals. The cattle continued off into a field to the east and could not be found. The owner of the cattle was located. He stated that the cattle had been loose since Sunday. He had made several attempts to get the cattle back home but they keep running off. It is unknown if the cattle were injured.
