Narrative

Vehicle #1 was eastbound on 460th Street in the 6800 mile. The road traverses downhill and the driver was approaching a sharp left hand curve. It had been raining earlier and the roadway was damp. The driver states that there was a deer on the roadway. The driver swerved to avoid, lost control, went into the south ditch, struck a mailbox and finally came to rest wedged in some trees in the ditch/ grove area off the roadway.
